Held in partnership with the Winnetka Park District and Fields BMW Northfield

Please Participate in the Winnetka Caucus Council's Annual Survey to Provide Input on Library Services

We are partnering with the Winnetka Caucus Council to solicit feedback from our community through their Annual Survey. The Annual Survey is conducted online in late May or early June. Winnetka, Northfield, and Kenilworth residents served by the Library are encouraged to participate. Two responses per household are allowed.

The 15-minute survey includes questions of importance to the taxing bodies and invites survey-takers to add their comments and insights. The results are tabulated, analyzed, and written up as planks to summarize input from community members.

Important: The Survey is distributed via email. Do we have your current email?
Contact us to make sure at hello@winnetkacaucus.org.
